

# APDatec 910 natur

Single layer Polyamide tube of PA 11/12

- Applications** pneumatics, vehicle construction, compressors, automation technology & robotics, compressed air
- Structure** PA, uncolored, translucent
- Temperature** -40°C up to 90°C
- Properties** good temperature resistance, , smooth outside, smooth inside

Inner Diameter (mm)	Outer Diameter (mm)	Wall Thickness (mm)	Bending Radius (mm)	Betriebsdruck Max. (bar)	Total Weight per Item (kg)	Length	Article Number
2	4	1,00	20	40,00	1,00	100	9100041000
